

STATEMENT ON THE PUBLICATION OF DELIVERABLE 2

Multiple Framework Contract FWC/FPI/PSF/2015
"Market Access and Trade & Investment Agreement Negotiation & Implementation"

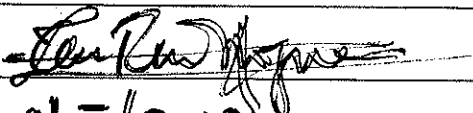

RfS 2016/379494 V1
"Mapping of applicable technical regulations, conformity assessment procedures and supporting standards in support of EU-Brazil business development"

We, the researchers undersigned, hereby declare that we agree to the publication of documents referring to Deliverable 2, which is defined in the Framework Contract FPI/PSF/2015 – Lot 4 as a *study mapping technical regulations, mandatory conformity assessment procedures and supporting standards applicable in the 7 priority sectors in Brazil and identifying potential, interested Brazilian and EU institutional partners (government entities, regulatory agencies, standardisation bodies? And sectorial business associations) in the 7 priority sectors. The study should not be of more than 5 pages per sector, as working documents, and we also acknowledge that they are not the final version.*

We, the researchers undersigned, also declare that this statement does not represent any obstacle to consider Deliverable 2 as approved by the client on the terms of Clause 5.6 of the Contract TS/PM-473/2016, Project n. 5067/021, signed between Agriconsulting Europe S.A. (A.E.S.A.) and Fundação Getúlio Vargas (FGV).
